Лиз и Джон Соарс сделали его современным и "моложе", оставив все базовые принципы первого издания. New Headway the 4rd Edition (уровни от Elementary to Upper-Intermediate) поддерживает успешное основное содержание, но имеет более современные темы и задания, а также новый, более стильный дизайн. Ключевые особенности нового издания: * Тексты, темы уроков и дизайн изменены на 95 % по сравнению с предыдущим изданием. * Коммуникативная программа курса с акцентом на изучение грамматики. * Новая версия Headway iTools – бумажное пособие воспроизводится на экране в полном объеме. * Headway iTutor – новый интерактивный DVD-ROM для самообучения в комплекте учебника. * Существенная методическая поддержка преподавателя – дополнительные материалы, раздатка, тесты и многое другое – в печатной форме, на диске к Teacher's book и на поддерживающем вебсайте. Методика Headway на протяжении последних 20 лет задает стандарт обучения английскому языку. Она приобрела мировую известность и является своего рода эталоном образовательных программ по всему миру. Авторы методики, Liz and John Soars много лет работали ведущими методистами International House, крупнейшей образовательной организации Великобритании. Курс Headway предназначен прежде всего для взрослой аудитории. Но равно интересен он и студентам, и старшим школьникам, и обучающимся преклонного возраста. От традиционных учебников курс отличается живым изложением, актуальными и интересными темами, непринужденным изучением всего разнообразия средств английского языка. Учебные пособия издаются Oxford University Press, авторитетнейшим и старейшим академическим издателем Великобритании. Курс Headway издается с 1993 года. Принято различать 4 издания. The choice of activities and materials makes the learning of English stimulating and motivating for both adult and young adult learners. The course combines the best of traditional methods with more recent approaches to help students use English accurately and fluently, and provides a fully comprehensive language teaching series from beginner to advanced. New Headway Beginner is a new full-length foundation course in basic English for absolute beginners,or for those who have learned a little English but lack confidence to build on it. It provides a solid introduction to the structure of the language, gradually building students' understanding of basic grammar, equipping them with key vocabulary, and giving them skills to 1 with simple social situations. New Headway Elementary can be used by both true and false beginners. It provides a foundation in the structure of the language, gradually building students' understanding of the basic grammar, vocabulary, and functions of English. New Headway Pre-Intermediate provides a syllabus progression from elementary to upper-intermediate level. It takes a structured approach to grammar. Grammatical structures are introduced in context, with questions that encourage students to work out the rules for themselves. A "Grammar section" at the back of the student's books provides a reference before, during or after the lesson. A vocabulary syllabus concentrates on three key areas: learning new words in lexical sets; acquiring good habits for learning vocabulary; and developing vocabulary "systems" such as sound and spelling relationships. Integrated skills work is an important feature of the course. New Headway Intermediate - This new intermediate course provides approximately 120 hours of language learning. It fits neatly between Headway Pre-Intermediate, and together with Headway Elementary and Headway Advanced provides a comprehensive language teaching series for today's classrooms. New Headway Upper-Intermediate recognizes that learners at this level require a different approach to language learning. It moves away from examining language items in isolation, exploring grammatical areas in greater depth so that students begin to perceive the systems that underlie the language. New Headway Advanced is The long-awaited, totally new edition of the Advanced level, providing a real challenge and stimulus for Advanced learners. - Building on the original Headway Advanced grammar syllabus, challenging language work really stretches advanced learners. Making Headway is a supplementary series for teachers and students of English. It is designed to complement the Headway coursEbook, but can also be used with other main coursEbooks. Phrasal Verbs and Idioms is for adult upper-intermediate learners who want to study and learn to use English multi-word verbs, prepositions and idiomatic expressions. New Headway Talking Points is a great book for the Mature Exams but also can be used for any intermediate level. (FCE, for example). Headway Academic Skills - A four-level, paired skills course that teaches students in higher education the essential skills for academic success. Внимание!
